April 2010

Dear Chesapeake City Property Owners and Residents:

The Town is starting a **SINGLE STREAM RECYCLING PROGRAM**. Collection will be on a biweekly basis starting Friday April 23<sup>rd</sup> and will continue on the 2<sup>nd</sup> and 4<sup>th</sup> Friday of every month. We will continue with the 2<sup>nd</sup> and 4<sup>th</sup> Saturday of every month for metal recycling.

*Enclosed is a reflective sticker.* The homeowner is to supply a recycling trash can and attach the sticker to the **SIDE** of the can. Please take care to attach the recycling sticker as neatly as possible so it will last. All recycling items may be placed in the same container. Also, you may use any cardboard box as long as an "X" is marked in black on the box. The box will not be returned.

Included with this letter is an informative brochure from the Cecil County Landfill, showing the materials that can be included in this "SINGLE STREAM" method. Please **NO FOOD** mixed in with the recycling.

As with all pickup days, please have the cans out at the curbside or the area you place your trash by **8:00 a.m.** The following is a summary of the various pickups up dates:
